

*this colour just indicating I might like space
for a background image-
not entirely sure I like an image on the first page...*

frauke materlik

*my name, preferably in gill sans
- to click on and then opens up next page*

statement—

space for background image, maybe the most recent work
to click on and leading to projects?

frau ke materlik

	projects	news	CV		contact	english	deutsch
title, year							
title, year							
title, year							
title, year							
title, year							
title, year							

scroll down for more projects, space to add on, and possibility to change order of the projects (right now I guess a chronological order is suitable, but maybe it will be better to sort it by topic later on)

click on thumbnail and it appears full size below

maybe just one line of thumbnails with scrollbar??

[back to overview](#)

here should be space for images in portrait and landscape format

photo - information - dimension etc...
